

# NSW Premier's Reading Challenge

## J 2009

### A Guide For Parents

The Challenge is divided into three sections :- K-2, 3-4, 5-6.

Each section has its own booklist.

**K-2** children must read a total of **30** books- **25** from booklist and **5** free choices.

**3-4 and 5-6** children must read a total of **20** books- **15** from booklist and **5** free choices.

**ALL** books read so far this year count.

Children can read books from booklist above their grade e.g. K-2 can read from 3-4 booklist

Books read to or by students at school, in library lessons or at home all count.

As mentioned in last week's Log entering of books is completed on Premier's Reading Challenge website.

Infants students' user names and passwords will be sent home by their classroom teachers very shortly. Primary students continue to use their same user name and the passwords they have chosen at school.

To make your life a little easier, when a book is treated in either library or class lessons it will be added to each student's reading list (by me). So if you are ever entering your student's reading logs and see some extra books listed this is where they came from.

Entering of student's reading **MUST BE COMPLETED BY AUGUST 15<sup>TH</sup>**.

I hope this clears up some of your questions.

Mrs Andrews

Teacher/Librarian.
