

Kings Langley Public School

University of New South Wales International Competitions and Assessments for Schools

Dear Parents,

Welcome to the 2009 University of New South Wales competitions for schools. Each year students from our school in years 3-6 take part in tests including English, Writing, Spelling, Mathematics, Science and Computer Skills.

These tests provide a valuable resource for students. Not only do they give students the opportunity to participate in a formal testing situation, they also provide comprehensive feedback to schools and families.

With the success of last year's arrangements, to alleviate the disruption to the normal school day, the tests will again be completed before school.

Your child will need to be at school at 8:15am on the morning of the test – except for Spelling and Writing. The times for these will be advised.

All of the competitions are included in this one note. If you wish for your child to participate in any of the competitions, please complete the note, marking the appropriate boxes and returning it together with the correct money by **Friday 13th March 2009**. There is a large amount of paperwork to process for these competitions, therefore **money must be in by this date**.

The dates for the 2009 tests are as follows:

Computer Skills	Wednesday 27 th May 2009	\$6
Science	Wednesday 10 th June 2009	\$6
Spelling	Tuesday 23 rd June 2009	\$8
Writing	Tuesday 23 rd June 2009	\$11
English	Tuesday 4 th August 2009	\$6
Mathematics	Wednesday 19 th August 2009	\$6
