

KINGS LANGLEY PUBLIC SCHOOL SWIMMING RESULTS 2009

On Thursday 12th February, 2009, the students of Kings Langley Public School participated in our 27th Annual Swimming Carnival at Blacktown Aquatic Centre. We were again very fortunate to have a full day carnival. It was great to see most students entering events including Freestyle, Backstroke, Breaststroke and Butterfly stroke. Each event was made up of heats. The four fastest times from the heats make up the first four places in each event. The Final Placings are as follows:

The staff and students would like to take this opportunity to thank the many parents, relatives and friends who participated as spectators. We would also like to extend a special thank you to the parents who assisted at the Carnival. With their help and expertise the Carnival was able to run smoothly.

Generally, students gaining 1st and 2nd place in the carnival final lists will be members of the Kings Langley 2009 Swimming Team. A third competitor may also be entered as long as qualifying times have been met. This year the Zone Carnival will again be combined with the

Wentworthville Zone and
students who qualify to
participate in the 2009
Seven

Hills/Wentworthville
Combined Zone

Swimming Carnival
(10/3/09) will be notified
as soon as possible.
